Report to Executive Committee

Morton Shaw one of the boys employed at the Locustth Library has given notice that he intends to resign his place in about a month.

I ask permission to transfer Paul Porter now at the Ridgway Branch to this library in his place. Paul is zealous, and efficient and very mixing.

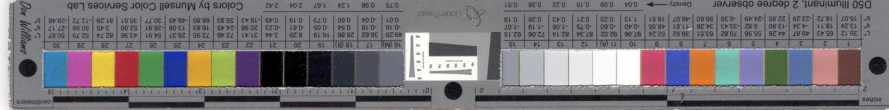

In his place at the Ridgway a new boy would have to be engaged at \$3. - a week.

Respectfully

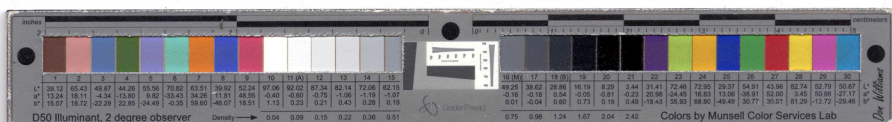

Lloyd V. Smith

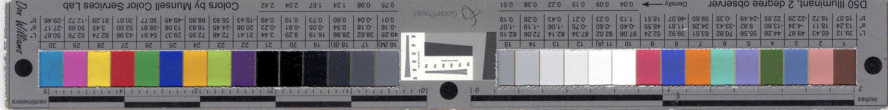

Librarian

(over)

The janitor has complained again about
the unwholesome character of his quarters in
the cellar, and says he will have to
leave them. I told him to look out for
some house in the neighborhood & report to
me & I would lay the matter before the
Board

Report to Committee on Ridgway Branch

McGrath the Janitor has requested me to present his respectful petition to the Committee that the Library will pay for his next ^{coal} winters. The Janitor's house still stands in need of lath & plaster to make it comfortable, but he does not ask to have it done, on account of the expense.
